

Missouri Coalition for Oral Health Strategic Plan 2022-2026

The Strategic Plan is primarily focused on operations. Goals and objectives developed and updated through MCOH committees are nested below this overall plan.

Mission Statement:

To improve oral health for all Missourians through sound public policy and public awareness.

Vision:

Oral Health is a high priority for all Missourians.

Principles:

- **Oral health is integral to overall health.**
- **All Missourians should have access to comprehensive, high quality health care.**
- **Our policy agenda is based on consensus.**
- **We are committed to sustaining a diverse, highly engaged membership.**
- **We advocate for positive change and improvement of oral health services and the health care system.**

Goals:

- 1. The Coalition will prove the value of Coalition membership, and the community will join and actively engage in the work of the Coalition.**
- 2. The Coalition will be recognized as the premier authoritative resource for oral health policy in Missouri.**
- 3. The Coalition will conduct all business with operational excellence.**
- 4. The Coalition will advance equity, diversity and inclusion of all Missourians and partners as priorities in policy, program and systems change work.**
